

HELP MAKE A DIFFERENCE

“For the sake of our health, our children and grandchildren and even our economic well-being, we must make protecting the planet our top priority.” - David Suzuki

We invite you to invest in our shared community and future!

Our 2018 fundraising goal is \$75,000

-  By investing in us you are investing in your community
-  A healthy environment creates a better place for you to do business
-  Boost your brand and demonstrate environmental leadership by aligning with our respected, impactful organization
-  Showcase your company to a large, multi-demographic audience
