### 1. What is your Kitchen Salvage program all about?

"Our trained staff & volunteers carefully remove home kitchen cabinets, countertops, and appliances completely free of charge. We then sell the kitchens at an affordable price at one of our three community ReStores to raise money for our build projects!"

### 2. This is a great way to reduce unnecessary waste from construction. How much waste have these programs diverted from landfill?

In 2019 = 105,600 KG diverted

In 2018 = 155,200 KG diverted
