

"What's Your Eco-Score?" Prize Draw

Rules and Regulations

Agreement:

These rules govern the "What's Your Eco-Score" prize draw (also referred to as the "draw" or "contest"). The Eco-Score quiz and draw is operated by BurlingtonGreen Environmental Association (the "Sponsor"). No purchase is necessary to enter the draw. The act of entering the draw constitutes acceptance of these draw rules and the decision of the final draw for a winner(s) of the prizes shall be final and binding upon all entries.

Each entrant (and his/her legal guardian, if applicable) accepts and agrees to these Rules and Regulations.

If an entrant is under the age of 18 on the date of entering the contest and taking the Eco-Score quiz, the entrant requires his or her parent's or legal guardian's authorization before participating in the contest and accepting a prize as awarded.

Eligibility:

The prize draw is open to people of all ages, provided they are a resident of **Halton Region** (Ontario, Canada). Employees or Directors of BurlingtonGreen and their household family members are ineligible for the prize draw. Those involved in creating and administering the Eco-Score quiz tool and draw are also ineligible. Providers of sponsorship or prizes for the Eco-Score tool or draw, and their employees and any of their household family members, are also ineligible for the prize draw. People that are ineligible are still welcome to take the Eco-Score quiz; they just won't be eligible for the prize draw.

Winners of an Eco-Score grand prize in previous years are also ineligible for the prize draw, in order to give other participants a fair chance to win.

How to participate:

After reading the Eco-Score introductory web page (<http://www.burlingtongreen.org/eco-score>) which explains the quiz, contest and rules, proceed to the following web page and enter your name, email address, and city/town. Then, take the quiz. Your information will be saved and entered into the draw. Your email information will only be used by BurlingtonGreen for the purposes of this quiz and contest. We may send you an email after a period of time reminding you to take the Eco-Score quiz again and see how your score has improved. You will be entered into the contest a second time, improving your chances of winning. Please **wait at least 30**

days before re-entering the contest, to avoid a disqualified contest entry. Contest entry and prize draw is based on *participation* in the quiz and is not dependent on your resulting score obtained on the Eco-Score quiz.

Draw period and details:

The draw entry period begins at 12:01 a.m. on **December 01, 2018** and closes at 11:59 p.m. on **November 30, 2019**. People who sign in and meet eligibility requirements and then proceed to complete the “What’s Your Eco-Score?” quiz, will be entered into the draw for a chance to win the available prizes. Individuals may only use one valid email address and can complete the quiz a **maximum of two times** within the draw period, with entries required to be **at least 30 days apart**.

Any person who is found to have signed in and entered the draw with more than two entries received by such person during the draw period will have those additional entries disqualified. Any draw entries found to have been entered less than 30 days since the previous entry by that person will be disqualified.

Proof of transmission (screenshots or captures, etc.) or attempted transmission of a submission or of attempted submission of any communication, does not constitute proof of delivery or receipt by the draw computers. Registrations and entries generated by script, macro, robotic, programmed, or any other automated means are prohibited and will be disqualified. The Sponsor will not be responsible for late, lost, illegible, falsified, damaged, misdirected, mutilated, garbled or incomplete entries, which will be void. All entries become the property of the Sponsor upon receipt and none will be returned.

After contest close, all eligible entries will be collected, one name/entry will be drawn for each available prize and the winning individuals will be contacted by e-mail to confirm their acceptance of the prize and answer a mathematical skill testing question without assistance of any kind, whether mechanical or otherwise. In the event that a selected entrant incorrectly answers the mathematical skill-testing question, he/she will be disqualified and another entrant will be randomly selected and the above process will be repeated. This process will be repeated until such time as there are confirmed prize winners, and/or no more eligible entries are available.

In the event the person whose name/entry was drawn cannot be reached by **December 15, 2019**, the entry will be forfeited and a new name will be drawn from the collected entries.
