

“Make the Switch” Transportation Survey Rules and Regulations

If an entrant is under the age of 18 on the date of entering the contest and taking the Make the Switch survey, the entrant requires his or her parent’s or legal guardian’s authorization before participating in the contest and accepting a prize as awarded.

Draw period and details

The draw entry period begins at 7:00 p.m. on **June 14, 2018** and closes at 11:59 p.m. on **February 28, 2019**. People who meet eligibility requirements and proceed to complete the "Make the Switch" survey will be entered into the draw for a chance to win the available prizes. Individuals may only use one valid email address and can complete the survey a maximum of one time. Participants who complete our survey and provide an email address between **June 14, 2018 and December 13, 2018** will receive a follow-up survey. If completed, their chance to win either a Fitbit Versa, \$200 Mountain Equipment Co-op gift card, a \$200 Presto card or a BurlingtonGreen eco-prize pack will be doubled. Participants who respond to the Make the Switch survey between December 14, 2018 and February 28, 2019 will receive a follow-up survey but will not have their name entered again for a chance to win one of the listed prizes.

Proof of transmission (screenshots or captures, etc.) or attempted transmission of a submission or of attempted submission of any communication, does not constitute proof of delivery or receipt by the draw computers. Registrations and entries generated by script, macro, robotic, programmed, or any other automated means are prohibited and will be disqualified. The Sponsor will not be responsible for late, lost, illegible, falsified, damaged, misdirected, mutilated, garbled or incomplete entries, which will be void. All entries become the property of the Sponsor upon receipt and none will be returned.

After contest closes, all eligible entries will be collected, one name/entry will be drawn for each available prize and the winning individuals will be contacted by e-mail to confirm their acceptance of the prize and answer a mathematical skill testing question without assistance of any kind, whether mechanical or otherwise. In the event that a selected entrant incorrectly answers the mathematical skill-testing question, he/she will be disqualified and another entrant will be randomly selected and the above process will be repeated. This process will be repeated until such time as there are confirmed prize winners, and/or no more eligible entries are available. In the event the person whose name/entry was drawn cannot be reached by **March 15, 2019**, the entry will be forfeited and a new name will be drawn from the collected entries.
