

BGYN Leadership Council Application Form

The BGYN Leadership Council is a group of Burlington high school student representatives who are enthusiastic about championing the environment locally.

Serving on the Council provides a great opportunity for eco-minded youth to play a key role in creating and providing impactful opportunities for other youth in Burlington to get involved in helping to make a positive difference in the community.

It's a perfect way to cultivate leadership and various other skills, get first-hand experience of the inner workings of a local not-for-profit organization, have fun, make new friends and contribute to your high school volunteer requirements.

What you can expect as a BGYN Leadership Council member:

- ✓ Attend monthly council meetings and plan fun & informative monthly BGYN “drop in” sessions (such as hands on workshops, guest speakers, field trips, native species plantings, etc.) alongside the BG Youth Program Coordinator
- ✓ Chance to learn about how the non-profit industry works from an “inside” perspective through attending board of directors/advocacy committee meetings
- ✓ Collaborate with & get to know other council members to share your passion and run coordinated environmental campaigns at your school
- ✓ Promote BurlingtonGreen eco-action opportunities to your high school peers
- ✓ Exciting opportunity to participate in planning/executing youth focused events (including the occasional Youth Eco-Summit w. speakers like David Suzuki, Jane Goodall, and Rob Stewart)
- ✓ A certificate of participation as well as a professional/academic reference
- ✓ Lastly, you can expect a fun, encouraging, creative atmosphere in which YOU can make a positive environmental difference right here in Burlington
