

Ward 4 Candidate: Eden Wood

Question 1	If elected, will you commit to the protection of Burlington greenspace and Halton farmland, including opposing the construction of Highway 413, and prioritizing the establishment of complete, 15-minute communities in your ward/throughout the city?
Response:	Yes. Being able to walk to the places around you, not only helps the environment, but mental health as well.
Question 2a	<p>Transportation is the largest source of carbon emissions in Burlington, and currently accounts for over 40% of total emissions. Reducing emissions from this sector is an essential step to reach Burlington's goal of community carbon neutrality by 2050. If elected:</p> <p>A) Will you support the changes and funding investments required to boost public transit ridership (e.g. purchase more (electric) buses; enhance frequency, range, reliability, density & directness) to make public transit an appealing and effective option in Burlington?</p>
Response:	Yes. Public transit is a key component on how cities are built and run well.
Question 2b	What specific actions will you take to make active transportation (cycling, walking, ...) an appealing and effective option in Burlington?
Response:	Lead by example, take the bus and walk more.

Question 2c	Will you support opportunities to increase and prioritize public EV chargers to ensure equitable distribution on City property across the community and with consideration of accessible design standards?
Response:	Yes. If EV chargers are more accessible, more people will feel confident in using them.
Question 3	We are facing a sixth mass extinction event. Biodiversity is critical for climate mitigation/adaptation and local accessible nature is vital for mental and physical well-being, but Burlington does not have a biodiversity action plan. If elected, will you champion the creation of a biodiversity action plan within the next 4 years and advocate for the resources/budget to initiate its implementation?
Response:	Yes. We must learn to appreciate all parts of the environment. I would love to be a part of creating a biodiversity action plan.
Question 4	If elected, will you actively demonstrate your support for the Reform Gravel Mining Coalition push for a temporary moratorium on new gravel mining applications in Ontario, by supporting a pause on all new and expanded quarry permits in Burlington?
Response:	Yes. Further research should be done to make sure the integrity of Burlington is sustained.
Question 5	Climate Change is worsening existing inequities and putting marginalized community members at increased risk of harm if mitigation and adaptation efforts are not carefully planned (see Health in a Changing Climate report). If elected, will you champion the effective integration of measures such as vulnerability and equity impact assessments into city plans and processes to prevent avoidable harm to marginalized Burlington residents, and encourage other members of council to support this as a top priority?
Response:	Yes. The Health and Safety for the citizens of ward 4 and City of Burlington, are top priority to sustain the quality of life we know and love, here in Burlington.
Question 6	Please share some of the actions you personally take to minimize your environmental footprint:
Response:	My family and I have re-usable bags when grocery shopping. We take the bus (the kids love it!) we also walk to the store and on occasion, to and from school.
